Something for everyone

This is a page intended to be a ad-hoc list of stuffs that everyone else in the group might be able to use.

Presentation Template

This is a simple powerpoint presentation slide that can be used as a template for presentations. Saves some time if you want to add additional information into the slides when presentating outside. template.ppt

Right now the slides contains a logo from AOSD-04, which can be replaced by another appropriate one as it fits our purpose
